Research Needs Questionnaire

Mark Use now, Need for report, or both. All18 topics; individual tools on page 2. Blank means unanswered.

Founding beta: submit multiple real cases. Accepted reports are free in exchange for feedback. We agree scope and timing per case, subject to data, access and capacity. Requests for unbuilt features guide development.

FIRM

YOUR ROLE

YOUR NAME

WORK EMAIL

- ☐ Contractors / equipment
- ☐ Environmental consultants
- ☐ Fuel wholesalers / transporters
- ☐ CRE lenders / risk reviewers

01 What report or decision do you need help with?

A site assessment, due-diligence review, case history or client evidence pack.

02 What information do you get from your tools?

On page 2, mark each tool separately and list the information you get and need. What works well?

03 What is hardest to get?

What is missing, outdated, slow or costly? Who supplies it now?

- ☐ Our current tools already meet our needs

04 What would a useful report need?

Area / sites, deadline, maximum record age and format (PDF / CSV / documents / system).

TOP 3 TOPIC IDs

ALL 18 DATA TOPICS

	NOW	NEED		NOW	NEED
D01 Tank / facility inventory [H]	☐	☐	D10 Fuel prices, use & deliveries [H/P/N]	☐	☐
