TANKWATCH

ENVIRONMENTAL CONSULTANTS

HISTORICAL PUBLIC-RECORD EXAMPLE / SOURCE DATE: SEPTEMBER 2, 2026

Which supporting records would you request next?

SOUTHWESTERN MOTOR TRANSPORT

9600 ALDINE WESTFIELD RD, HOUSTON, TEXAS / HARRIS COUNTY

Facility number 1135 / agency record 39062 / recorded use: FLEET REFUELING. Recorded facility status: ACTIVE. Values below are what the retained file reported, not present-day verification.

Tank ID	Agency row ID	Installed (recorded)	Gallons	Status (recorded)
2	2891	01/01/1982	20000	IN USE
1	2892	01/01/1982	20000	IN USE
3	2893	01/01/1982	550	REMOVED FROM GROUND

WHAT THIS EXAMPLE ESTABLISHES

These selected values appear in the retained TCEQ snapshot. Tank age and material do not establish a replacement requirement, contamination, compliance status or an available project. No relationship between this facility and any prospective TankWatch customer is asserted.

WHAT STILL NEEDS RESEARCH OR PROFESSIONAL REVIEW

- Complete agency case files and closure documentation
- Site-specific sampling and laboratory results
- An Environmental Professional's site assessment
